## About Calleva

The maintenance of the gardens, paths and parking areas, together with cleaning of building exteriors, are directly controlled by Country Estates' management team. Seasonal colour displays and a wooded backdrop, give the Park a relaxed and spacious atmosphere. Seats and benches are placed around the site to enable staff and visitors to enjoy the grounds. Waste is well managed on site and includes a paper and card recycling point. Our Business Centre Manager is on site regularly and can offer advice and help to resolve any problems that may arise.
